- For use in Square D QO Panels
- 15 Year Warranty

CC, CCH, CHH, CCV/CCVH Circuit Breakers

- 2 & 3 Pole
- 60-225A
- 10,25,42,100 kAIC @ 120/240V

CSR & CSH Main Breakers CH Panels

- 100 to 225A
- 25, 35 kAIC @ 120/240V
- Meets UL 489, CSA
- Lifetime Warranty

BW & BWH Main Breakers BR Panels

- 100 to 225 A
- 10,25 kAIC @ 120/240V
- Meets UL 489, CSA,
- 10 Year Warranty

CH Loadcenters

- Industry Exclusive Plug-on Neutral
- Surge Ready
- Commercial Grade 35 kAIC Rated Main Breaker (150A & above)
- Silver Flash Plated Copper Bus
- Solar Ready Available
- Full 60 Circuit option
- Limited Lifetime Warranty

BR Loadcenters

- Metal Backpan
- Single Keyhole Mounting
- Commercial Grade 25 kAIC Rated Main Breaker (150A & above)
- 10 Year Warranty

Flex Center Solutions

- Non-Metallic Enclosures
- Mechanical Interlock Covers
- OEM Solutions
- Custom Colors and Configurations available
- Retrofit Interiors (UL® Listed versions)
- Single & Three phase versions.

Power Outlet Panels

- Single Receptacle
- Temporary Power
- RV Parks

Generators

- Air Cooled Standby Generators 8 - 20kW
- Liquid Cooled Standby Generators 22- 150kW (single & three phase)
- Portable Generators 800 - 17,500 watts

Manual & Automatic Transfer Switches

- 50-200A
- Service Entrance Rated
- Integral to Loadcenter available
- Listed to UL 1008 (UL67 For Loadcenter/TS)
- NEMA Type 1 & 3R
- **Green** ATS version

ECCN

- National Network of Service Contractors
- Professional Installation Services
- Helping Contractors grow their business
- Custom Marketing programs/tools
- Training available

Meter Breakers

- Both BR & CH Type Branch Circuit Styles Available
- Available in Non-EUSERC & EUSERC (West Coast) Designs
- 100-225 Amp Main Breaker & Main Lug Types
- Single Phase, 3 Wire, 120/240 Applications
- Nema 3R Rainproof Construction
- OH/UG Service Applicable
- Solar-Ready Available

Single Meter Sockets

- Available in 100,200 & 320 Amp Ratings
- Available in Multiple Service Designs
- Available in Single & Multi-Position Configurations

Commercial Pedestals

- Time Saving (All-inclusive) design
- Highest Standard AIC Ratings in the industry
- Standard Copper Bus and 3/4" interior design
- Custom Configurations

Air Conditioning Disconnects

- 1 & 3 Phase Available
- Fusible & Non Fusible
- Molded Case Switch
- Optional Non-Metallic Enclosure

Pool Panel

- Up to 8 Circuits
- Built in timer for pump control
- Optional Kits:
 - Timers, Transformers, & Freeze control

Marine Power Pedestals

- LED or 13 watt fluorescent light with shore power
- Electronic Metering
- Twistlock marine receptacles, phone, cable, TV and water hookups
- Lighting Ballards
- Limited Lifetime housing warranty

Vehicle Power Pedestals

- RV & Truck receptacles, phone, cable, TV and water hookups
- LED or 13 watt fluorescent lighting
- EVSE charging units
- Electronic Metering
- Credit card enabled options
- Custom colors available
- Limited Lifetime housing warranty

Distribution Substations

- 316 stainless steel cabinets with a two part corrosion resistant powder coating
- Single phase or three phase transformers to 500KVA
- 1200 amp distribution capability with main circuit breaker and GFCI options
- Custom colors available
- Limited Lifetime housing warranty

Pressure Switches

- Diaphragm actuated contacts for smooth operation
- Removable cover & ample wiring space for easy connection
- Adjustable cut-in, cut-out pressure to fit system requirements
- High impact molded cover for extra durability & increased life
- UL Listed & CSA Certified

Complete Home Surge & Point of use Strips

- 3 Levels of Protection available
- Type 1: Ideal for Commercial/OEM applications
- Type 2: Complete Home Surge Protection installed at the loadcenter
- Type 3: Full line of Surge Strips to protect at the point of use
- Telephone, Cable, and AC Power Protection available
- UL 1449 3rd Edition Listed

Solar

- 97% CEC efficiency
- Sizes 3.8 kW - 7kW available
- Built-in Array Combiner accommodating up to 6 strings
- Integrated AC/DC disconnect
- Modular design with removable power stage

Structured Wiring

- Telephone & Video Distribution Modules
- Computer Networking
- Whole-House Audio
- Intercom Products

Smart Energy Management System

- Combination 5" Color Touch-screen In-Home Display & Controller
- Wireless Programmable Thermostat
- Energy Measurement & Load Control capability
- Smart Loadcenter & Smart Receptacle
- ZigBee® Wireless Protocol
- Smart Phone applications (in development)
